

## Association Membership Renewal

The Age of Fishes Museum attracts more than 10,000 visitors to Canowindra each year. These visitors spend an average of \$160/day whilst travelling through the region. In 2018, the Museum won gold at the Regional Tourism Awards and its priorities have always been to promote education and research and to boost the profile of the Canowindra region and its businesses.

The Age of Fishes Museum Association is seeking your support in helping the Museum to continue to be a valuable tourism asset for Canowindra (being one of only two Fish Fossil Museums in the world). The Association appreciates the support of the community in the past through financial support, in kind donations, guidance, expertise and volunteer work. If you would like to become a Friend of Fossils member or renew your current membership, please complete the form below and return it with your payment. Subscriptions from now on will take place from the 30<sup>th</sup> June and your support and assistance would be greatly appreciated.

Kind regards
